This is a follow up to request number P000172-030819:

-- This is literally impossible. The MTA was shut down as the result of a ransomware attack, and NOT A SINGLE DOCUMENT was produced as a result--not even an email? --

Please do not insult my intelligence.

Furthermore, I am making this request because I received an anonymous tip from one of your employees telling me there a scandal here to be found. Your refusal to provide even a single document makes you think you are deliberately breaking the law in refusing to respond to my records request.

I will lawyer up if I have to. Please do your job and me these docs now.
